Schools  
Partnership

Friday February 13<sup>th</sup> 2026,

Dear parents,

Thank you to all parents for their support with our Chinese New Year activities this week – not only yesterday’s typically wonderful celebration assembly but the Art Exhibition which preceded it on Wednesday. I remain convinced that there are no other schools locally – and probably further afield across the whole of Malaysia – which are implementing cultural events as impressively as Straits International School Rawang. Our parents-led Events Committee, working alongside incredible professionals such as Ms. Haifaa, Mr. Nas, Mr. Hafiz, Mr. Azzmeer, Ms. Sarah, Ms. Azreen and many others, helped this week’s activities to run as smoothly and as impactfully as ever, and for this I am very grateful indeed.

Today is the final day of term 2.1. Students will enjoy a well-deserved half-term break next week, with school resuming on Monday February 23<sup>rd</sup> at the usual time of 07.45.

Term 2.1 has been a very productive period for Straits International School, and term 2.2 promises to be another exciting half-term. Since January, our Year 11 students have prepared for the forthcoming IGCSE exams via mock papers, swimming has very much been reintegrated into our students’ PE curriculum, morning CCAs have become a highly successful part of daily life for our super-sporty students, and we have hosted a group of visiting Korean students who were very keen to experience life in a top international school which is now very well-known in their home country. Up next, we will be making some further physical improvements to our campus (which involve creating even more space in communal areas, as well as upgrading some existing classrooms), continuing our Talent Show & poetry competitions, hosting our much-anticipated secondary Shakespeare performance, and announcing an exciting residential trip for anyone who is interested in motorbikes!

This is an exciting time to be a Straits International School Rawang student, and our relentless commitment to ensuring not only academic excellence but also high-quality learning experiences which support the effective growth and personal development of the young people in our care will remain central to what we do.

**Embrace Unity, Innovate Today, Create Tomorrow | Raikan Perpaduan, Inovasikan Hari Ini,  
Cipta Masa Depan | 团结一心, 今日创新, 创造明天**

As always, if any parents would like to contact me about any of the points above, or indeed about any other issues, then you are always welcome to do so via the email address below.

Yours sincerely,

Steven Miles.
