Friday October 17th 2025,

Dear parents,

Thank you to all parents for the typically wonderful support and contributions during the first half-term of this academic year, which began back in late August 2025. I know that many new families joined our school community during this period, and I hope that we have been able to repay your faith in us as the right educational location for your children. We will pause learning today for our half-term break, with students returning to us on Monday October 27th at the usual time of 07.45.

It has been another strong and purposeful half-term at Straits International School Rawang, and we continue to be the school of choice in our area for parents who are looking for outstanding academic achievement, impeccable student behaviour and pastoral support, a wide range of CCAs, and highly effective community engagement.

We began the first half-term with the publication of our first set of Curriculum Overviews for parents, and this will repeat at the beginning of every subsequent half-term so that you can remain fully-informed about the learning that is taking place in classrooms and other learning spaces over weeks to follow. We also held a number of coffee mornings for different groups of parents over recent weeks, which – along with our daily and weekly communications – have hopefully helped you to feel both engaged and up-to-date with life in our school. Our STEPS group, which is now fully parent-led, also met earlier this week for the first time this academic year, and I am genuinely grateful for the positive intent of this extremely committed team of supportive parents in terms of helping us to improve even further as a school.

This half-term has also brought celebrations in the form of Malaysia Day and Deepavali, with our plans for our Christmas event at the end of the second half-term already beginning to take shape. Again, thank you to our amazing parent events committee for their efforts and support with our cultural assemblies.

Looking forward to the second half of the first term of this academic year, we already have some big events in our calendar. Early in the half-term, for example, we will be hosting the KL Swimming Gala for secondary students as well as a Future Pathways event during in which over 50 universities will be in attendance. Later in the term, just before term 1 reports are published and our PTCs take place, the final of our EAL Spelling Bee will be held.

As always, if any parents would like to contact me about any of the points above, or indeed about any other issues, then you are always welcome to do so via the email address below.

Yours sincerely,

Steven Miles.
