Friday January 23rd 2026,

Dear parents,

Term 2 CCAs were launched earlier this week under the leadership of our new Head of PE, Mr. Sarveas. As noted in previous communications already this academic year, both CCAs & ILOS remain part of our 'Big 4' this year, and we remain committed to ensuring that we continue to secure demonstrable improvements in these areas. Simply put, our focus is now on quality rather than quantity, and CCAs should not be little more than childminding services. Instead, they should support the ongoing holistic development of each young person in our care.

In addition, parents should note that we also intend to offer an increasing number of morning CCAs, as we believe that these sessions not only help to prepare students both physically and mentally for the day ahead but also may support parents with their own busy schedules.

So, although there may be fewer choices than during previous academic years, the sessions available are not only of greater quality and value but also align more closely with our commitment to both ILOS (International Learning Opportunities for Students) and our 5 ISP Pillars, namely [academic achievement](#), [multilingualism](#), [Life Competencies](#), [Future Pathways](#) & the aforementioned [ILOS](#).

ILOS is of huge importance to all ISP schools globally, and it's one of our big priorities this year at Straits International School Rawang for lots of reasons, most notably perhaps because our sign-up rates previously have not quite been where we think they ought to be. ILOS has a great deal of genuinely purposeful personal improvement to offer our students, and they can enrich their daily experiences simply by taking part regularly and making positive contributions to the sessions. Copied below is a list of the ILOS programmes we are offering this year at Straits International School Rawang, all of which you can learn more about [here](#).

- ISP Artists
- ISP MUN (Model United Nations)

**Embrace Unity, Innovate Today, Create Tomorrow | Raikan Perpaduan, Inovasikan Hari Ini,
Cipta Masa Depan | 团结一心, 今日创新, 创造明天**

- ISP Scientists
- ISP Changemakers
- ISP Chess Masters
- ISP Filmmakers
- ISP Virtual Exchange Program
- ISP Cultural Exchange Program
- ISP Writers

In addition to the ILOS courses, we will also be making greater use of the partnerships with external CCA providers which we have developed over the course of recent academic years. All CCA days – Tuesday, Wednesday & Thursday – will provide students access to sessions run by external providers, with many sessions repeating so that those who are unable to attend on some days can instead take part at another point in the week. Our external partners will offer the following sessions:

- K-Pop Dance
- Artz & Creative
- Swimming
- Taekwondo
- Chess
- Badminton
- Flag football
- Basketball
- Gymnastics
- Robotics
- Baking
- Football

Signing up for both ILOS programmes and sessions run by external providers is simple and will continue to take place exclusively via Schools Buddy. This platform will also provide parents with straightforward payment links for CCAs. If any parents require support with Schools Buddy, then please contact Ms. Azrin – our data analyst – via a.malek@rawangsisgroup.edu.my or simply come into school at your convenience. Our team is always happy to help!

As always, if any parents would like to contact me about any of the points above, or indeed about any other issues, then you are always welcome to do so via the email address below.

Yours sincerely,

Steven Miles.

Campus Principal – Straits International School Rawang
