Friday October 31st 2025,

Dear parents,

Next week, on Thursday November 6th, we will host our first Future Pathways Festival of the 2025/2026 academic year. This event will allow our secondary students to engage directly with representatives from over 60 Universities from a number of diverse countries, including not only here in Malaysia but also from the UK, Australia, the USA, Canada, New Zealand, Japan, Korea, Singapore, the UAE, to name but some.

If any parents of secondary-aged students would also like to attend, then they should sign-up first via this [form](#). A list of the Universities attending has been sent separately to secondary parents by Ms. Tapisha, our Future Pathways lead.

[Future Pathways](#) is one of ISP's key pillars, and this aspect of our work is highly visible in Straits International School Rawang. ISP Future Pathways offers students from 5 - 18 years practical, transferable skills and careers-related learning opportunities so they leave school.

Informed

We help all students stay informed about the latest insights on future jobs and careers. Leveraging our global network of experts, we support students to create a future full of possibilities.

Supported

Creating a supportive learning environment isn't just about helping students feel welcomed – it's also about supporting families. Transformative learning happens best when families, advisers, students, and schools work together, so we help create a network of support for each student.

Empowered

About their next steps - our Future Pathways offer is designed to empower students at every stage of their academic journey. Through the support they receive, students can

**Embrace Unity, Innovate Today, Create Tomorrow | Raikan Perpaduan, Inovasikan Hari Ini,
Cipta Masa Depan | 团结一心, 今日创新, 创造明天**

build the confidence in their ability to make more informed decisions about their professional paths.

As always, if any parents would like to contact me about any of the points above, or indeed about any other issues, then you are always welcome to do so via the email address below.

Yours sincerely,

Steven Miles.
