## Our Vision

To be recognised as a leading provider of education that balances academics with holistic human development, rooted in a caring and community-centric environment.

## Our Mission

To balance the individual and the collective in everything we do - providing personalised education suited to the needs of each student while emphasising the importance of collaboration and shared growth.

In doing so, to nurture compassionate, well-balanced young adults with the hard and soft skills necessary to succeed wherever life takes them.

# NEWSLETTER

Dear Secondary Parents,

I want to thank you sincerely for a spectacular term here at Straits International School Rawang. We have achieved so much in a very short time! You and your children truly deserve the break, and I hope you return to us refreshed and ready for another term of Learning. First and Getting Better together!

Today, we celebrated the students' achievements this term with our Term 2 Awards Assembly. The students were recognised in the following categories:

- Subject Star of the Term – For outstanding effort, consistent participation, and supporting others in a specific subject.
- Achievement Award – Recognising high academic performance across subjects and a strong commitment to excellence.
- Progress Award – For noticeable academic improvement and perseverance in the face of challenges.
- Multilingualism Award – Celebrating excellence in languages and contributions to cultural understanding at school.
- Above and Beyond Award – Awarded for leadership, empathy, global thinking, and meaningful connections within our community.

The winners are listed in the newsletter below.

Not only have we celebrated meaningful achievements with our students, but we've also made some significant improvements as a school! This term, we had our LIP review from ISP, which supports our continued growth as a school community. We launched our ESG Committee, introducing various green initiatives to help better support our world. Our Secondary and School Councils have also met to discuss our new motto and Life Competencies, with a focus on the attributes we want to see in our community.

# NEWSLETTER

Looking ahead to Term 3, I know that this level of enthusiasm and growth will continue! Our Year 11s begin their IGCSE examinations in earnest (and we wish them the very best of luck). Year 7 will be supporting our Year 6 students through various transition events to ensure they are ready for their new adventure in Secondary. We also have a range of Arts and Culture events planned—most notably the Talent Show, which our student performers have been diligently preparing for over the last few months!

Academically, we will also be conducting our Final Year Assessments in Term 3. I know our teachers will continue to create amazing learning experiences, ensuring our students stay in a “good struggle” and always strive to get better.

As always, please feel free to reach out to any member of our team with any questions about your child’s learning. Staff emails are attached at the end of this newsletter.

# Recharge Mode: On!

Prepared by: Tapisha Kaur, School Counsellor

## Resting Helps Us To....

- **Perform better.** Our brains need downtime to function
- **Support our emotional health.** Without proper rest, stress builds up and causes one to feel overwhelmed
- Rest **encourages reflection.** It creates space to check in with ourselves
- **Prevent burnout.** After a busy, stressful term, rest helps us return with energy instead of exhaustion

*"Almost everything will work again if you unplug it for a few minutes, including you." – Anne Lamott*

## 📢 7 Types of Rest We All Need 📢

To truly recharge, we need different kinds of rest throughout our week.

1. **Physical Rest** – Sleep, naps, or even gentle stretching. Your body needs downtime too!
2. **Mental Rest** – Give your brain a break from overthinking. Try quiet time or deep breathing.
3. **Emotional Rest** – Share your feelings with someone you trust, without needing to "be okay."

# Recharge Mode: On!

Prepared by: Tapisha Kaur, School Counsellor

## 📢 7 Types of Rest We All Need -cont- 📢

4. **Social Rest** – Take a break from draining interactions.
5. **Sensory Rest** – Step away from screens, bright lights, and noise.
6. **Creative Rest** – Enjoy music, art or nature without pressure to produce.
7. **Spiritual Rest** – Find moments of purpose, connection/reflection

*Rest isn't a break from growth - it's part of it.*

## Ideas for Intentional Rest

- 🛏 **Sleep in a little** – Your body will thank you
- 📖 **Read for fun**, even if it's just a page
- 🎨 **Try a calm activity** – Colour, doodle, bake/sit in silence
- 🌿 **Time outdoors** – Even 15 minutes in nature can reduce stress
- 🗒 **Write a "brain dump"** – Clear your mind
- 👤 **Limit draining interactions** – Spend time with energizing people
- 🎨 **Take in some art/beauty** – Without pressure to create
- 🙏 **Practice gratitude** – Reflect on the positives

# Multilingualism Secondary Newsletter

## Multilingualism Newsletter this week:

### How Can You Celebrate Your Child's First Language at Home?

#### 1. **Talk Together Every Day**

- Use your home language during meals, car rides, bedtime stories—*anytime is a good time!*

#### 2. **Read Books in Your Language**

- Visit the school or local library for bilingual or first-language books.
- Ask your child to retell stories in both languages.

#### 3. **Share Cultural Stories or Songs**

- Teach your child traditional songs or stories from your culture and translate it to English to be shared in class.
- Record grandparents or relatives sharing family stories or sayings.

#### 4. **Label Items Around the House**

- Use sticky notes to label things in both your home language and English. It helps build vocabulary in both!

#### 5. **Celebrate Language at School Events**

- Encourage your child to share a word or phrase from their language during International Day or Show & Tell.

### **Parent Tip of the Week**

 **“Speaking your home language doesn’t confuse your child—it helps them become better learners!”**

Research shows that strong home language skills support learning in English and help your child think more creatively and deeply.

## ILOS Filmmakers Newsletter

We're thrilled to announce that our filming sessions for ISP FILM MAKERS have officially concluded! After weeks of dedication on set, the cast and crew have captured every scene with creativity and passion. This milestone marks the culmination of countless hours of collaboration and our first major step toward the big screen.

Thanks to our tireless editing team, the movie has been fully edited, subtitled, and scored—and the final cut has now been submitted. A special shout-out goes to Lee Yu Han, whose meticulous attention to detail ensured seamless transitions, perfectly synced music, and crystal-clear subtitles. Meanwhile, Akshaya Selvachandran has been hard at work crafting the official trailer, capturing the film's most thrilling moments to build anticipation for our premiere.

Our stellar ensemble delivered outstanding performances from start to finish.

- Wan Nur Alisya shone brilliantly as our lead, bringing depth and emotion to every scene.
- Lee Rui Sha Vanes, Baek Seunghyeon, Wong Xi Cheng, Khadijah Nur Iman, Raja Maeisya, and Annabelle Lee each embraced their roles with professionalism and flair, contributing equally to the film's dynamic narrative.

On the design front, Lim-Shern Lee Ashton has completed the movie poster and crafted this very newsletter, showcasing our film's aesthetic and spreading the word to our community.

With production wrapped and post-production complete, we're officially waiting for the premiere. Your support has been invaluable—thank you for being part of our journey. We can't wait to share the final product with you on opening night!

A special thank you to ISP ILOS for this incredible opportunity and for being a vital part of our filmmaking experience.

# ESG UPDATE

Greetings, ESG Enthusiasts!

We hope you're all doing well and staying motivated to make our school more sustainable! Here's the latest update on everything happening in the ESG Committee this month: Our team has been hard at work sorting the results of the recent energy audits, and we're excited to announce that these findings will soon be presented in a visually engaging infographic. This will make it easier for everyone to understand the impact of energy usage around the school and the key areas where we can make significant improvements. We hope you can't wait to see how our efforts can lead to a greener campus. Additionally, we're inviting all students to join us on Monday, April 21st at the ESG booths in the canteen! This will be a great opportunity for anyone interested in the environment and sustainability to learn more about our committee and how they can get involved. Whether you're passionate about energy conservation, recycling programs, or other eco-friendly initiatives, this is your chance to join us and show you care! It's more than just a badge, it shows you are aware about our current world situation and want to make a change.

In other exciting news, our video editing project is well underway! We're working on a brand-new video that highlights the mission and efforts of the ESG Committee. The video will serve as an engaging introduction for new members and anyone who wants to learn more about the sustainable initiatives we're championing. We can't wait to share it with you once it's ready!

Lastly, a huge shout-out to our amazing team for completing the bulletin and notice boards! These boards are now filled with important updates, sustainability tips, and resources that will help raise awareness about the ESG Committee and the environmental issues we care about. Be sure to check them out for the latest info, and feel free to contribute any suggestions or content to keep them fresh and relevant. Thank you for your continued support and dedication to making our school a more sustainable place! If you want to get involved in any of these exciting initiatives or have ideas to share, we'd love to hear from you. Let's keep pushing forward together!

Stay green and stay motivated!

Warm regards,  
The ESG Committee

Hope you liked it! Thank you.

Sincerely,  
Alexis.

## CONGRATULATIONS

Yesterday, our Year 8 Enterprise students organised a Healthy Snacks Charity Sales Project – and it was a tremendous success!

The entire secondary school community showed fantastic support, and it was inspiring to see such enthusiastic participation from both students and staff. Our Year 8s truly shone, demonstrating exceptional creativity, organisation, and teamwork throughout the project. Their efforts paid off, raising a total of RM650, which has been proudly donated to Persatuan Haiwan Terbiar Malaysia – an organisation dedicated to ending animal cruelty and improving the welfare of animals in Malaysia.

Well done to all the students involved – your hard work and compassion have made a real impact!

# The Kaleidoscope Dream SIS Talent Show

## Qualifying Round (Week 8)

This week's Talent Show Qualifying Round 8 was a true celebration of talent, family, and flair! The SIS community was buzzing with excitement as eight outstanding performers took the stage—each bringing their unique spark and show-stopping presence! 🎻🎵 Elliot (Year 3) on the violin and Ethan (Year 4) on the piano opened the show with a stunning sibling duet that blended elegance and emotion, setting the perfect tone for an unforgettable round. 🎤 Following their performance, Ranveer from Year 4 took the stage with a heartfelt vocal performance that warmed the crowd right up. 🎤 Then came another sweet sibling moment—Raaina from Year 2 delighted the audience with her charming singing. 🎤 Lucas from Year 3 followed with powerful vocals and stage confidence beyond his years. 🎹 Eva from Year 1 amazed the audience with her piano skills, playing with both focus and flair—what a rising star! 🎤 Divyasri and Keerthi from Year 11 wowed the audience with a breathtaking vocal duet, showing that passion and harmony go hand in hand.

# Small Steps for a sustainable future

## Reduce Waste

Avoid single-use plastic products to reduce plastic waste. Other than that, we should use as less plastic products as less as we could.

## Save Energy

Turn off electronic equipment when not in use, apply this actions to every where in our school, classroom and toilet, this small actions can help save up energy.

## Join us

Join us to help us to make our environment a better and more sustainable place for us to live.

“Small acts , when multiplied by millions of people, can tranform the word”

## Are you on the Green team?

Whenever you walk into the class or the hallways, you see all these familiar green posters with the phrase, “Are you on the Green team?” What is this? Who put this here? What does this mean?

Well, for those who don’t know, the school and the ESG committee have created a survey with the QR code attached to the green poster across the whole school. The survey aims to collect how many of us as a member of the community are contributing to not only the principles of ESG, but to save the environment, even if it is the most minor action like turning off the light before leaving the classroom.

You can use your iPad or a mobile phone to scan the QR code, fill in the survey and post photos of you saving the environment!

If you scan the QR code and fill in the details, you may even be awarded with a ‘I’m On The Green Team’ badge, assuming that you can prove that you really are helping us to meet our sustainability goals.

Moreover, the ESG committee has also devised a plan, encouraging all students to participate in our gardening activity. Our school is the perfect place to decorate with plants and an innovative way to show how we could reuse waste. A box will be placed around the school and students must clean and dry their seeds from fruits etc. and put them into the box. Using these seeds, cans or plastic bottles collected from the canteen will be used as flower pots.

Together as a community, we can save the earth and the environment.

Don’t forget to fill in the survey.
