PROSPECTUS

WELCOME
to Straits
Rawang

Straits International School Rawang is a truly outstanding school. We have highly-ambitious students with incredible attitudes to learning, we have extremely engaged parents who both support and challenge us in equal measure and we have talented, hard-working teams of teachers and other professionals who are all fully focused on the task of helping our school to get better all the time.

When you also include our fantastic school campus onto the list above, then it's clear that Straits International School has everything that you could want from a vibrant, international educational setting.

Our students come to us not only from Rawang but also from various different parts of greater Kuala Lumpur. It's easy to reach our campus

from almost anywhere and we help parents to do this by opening very early in the morning and staying open until late in the afternoon. The vast majority of our teachers and senior leaders are also parents, so we know how important it is to get the parent experience right in a school. With this in mind, we opened our (Parenthesis) Coffee Shop in our new parent café area during the 24/25 academic year, and each morning and afternoon this becomes a hub of positive interactions whilst parents either speak to teachers or wait to collect their children.

Students at Straits International School Rawang will not only excel academically but also flourish in other aspects of their learning during their time in our school. Getting great examination outcomes through amazing learning is very obviously a priority, but also place great

importance on developing musical, sporting, artistic and intellectual talents. Via our Future Pathways, ILOS (International Learning Opportunities for Students) and Life Competencies pathways, we also ensure that every single young person in our care is fully prepared for life beyond school at each stage of their school careers. In addition, our teachers are multilingualism experts, so it's not essential that your child has perfect English speaking, writing or reading skills when they arrive. Whatever a student's prior experience of English, they will get the bespoke support they need to get the most out of their lessons.

Straits International School is a very special place, and I am very privileged indeed to be its Campus Principal. Our community is friendly, diverse and harmonious, and this is something that you can feel instantly upon entering the campus itself. If you are considering joining our community, then I can ensure you that you will be made to feel very welcome indeed.

Steven Milles
Principal

WHERE WILL MY CHILD LEARN?

Feel the learning

Welcome to a place where we believe in nurturing every aspect of a child's growth. The process begins from the environment in which the children learn.

Our learning journey starts in the heart of our campus, which provides students a vibrant space to learn, play, and grow. Our campus is equipped with cutting-edge facilities designed to support our students' learning. From classrooms enhanced with interactive technology, including personal devices provided to students, we ensure that our learners are always connected and engaged. Outside of normal classroom environments, our dance studio, Art, Music, and Drama suites all invite students to explore their interests and hone their creative talents.

For those with a love of sport and physical activity, our swimming pools, futsal court, football field and various other facilities provide ample opportunity to discover new passions and develop essential life skills.

Facilities

Library – Our primary & secondary libraries are places where students can lose themselves in their favourite storybooks, complete homework in a quiet space, and access computers for research

and projects. We provide the perfect environment for learning, exploring, and growing.

Science Lab – Our primary & secondary Science labs are designed to support hands-on learning. They provide a dynamic environment for students to experiment, explore, and deepen their understanding of the scientific world through practical experience.

Multi-purpose Hall – Our MPH is a versatile space designed for various events, gatherings, and activities, accommodating diverse needs and purposes. This vast space can comfortably seat up to 1000 students.

Canteen – Our canteen is a comfortable space for students to relax, enjoy a variety of nutritious meals, and socialise with friends during their break or lunch times.

ICT Suites – Our ICT suite is a cutting-edge educational technology hub focused on innovative 21st century learning solutions.

A GLOBAL COMMUNITY

connected by purpose

At the International Schools Partnership, iSP, we share a clear purpose with Straits International Schools.

We exist to grow the world's most curious, confident minds.

We create vibrant learning environments where students take charge of their education, developing the skills they need to thrive now and throughout their lives.

Largest global schools group in Malaysia

ISP LEARNING approach

Learning-First™ is iSP's unique approach to education. It means that we always put learners and their progress at the heart of everything we do.

By tracking and evidencing progress we ensure every student excels and gains the confidence to reach beyond their potential.

Here, curiosity sparks, confidence builds, and every achievement, big or small, is celebrated.

“
Are you busy or are you busy learning?
”

Our iSP learning pillars

Academic achievement
Enjoy personalised learning that continuously enhances knowledge, skills and understanding

Life competencies
Gain essential life skills to thrive in academics, as well as careers and personal lives

International opportunities
Try global skill-building programmes and activities that develop critical thinking, teamwork and leadership

Multilingualism
Develop proficiency in world languages, while being supported in home or first languages

Life and career pathways
Benefit from personalised guidance for university and career choices, supporting your chosen path

DEDICATED to your child's success

Our iSP framework sets us apart by driving constant improvement in how we support your child's learning.

Through our Learning Improvement Process (LIP), we continuously evaluate and enhance our teaching methods to create the best environment for students. This evidence-based approach helps us assess whether the learning atmosphere is inspiring and engaging. Developed by our experienced Learning and Innovation team, this framework ensures we are always improving, fostering a stronger, thriving community for every student.

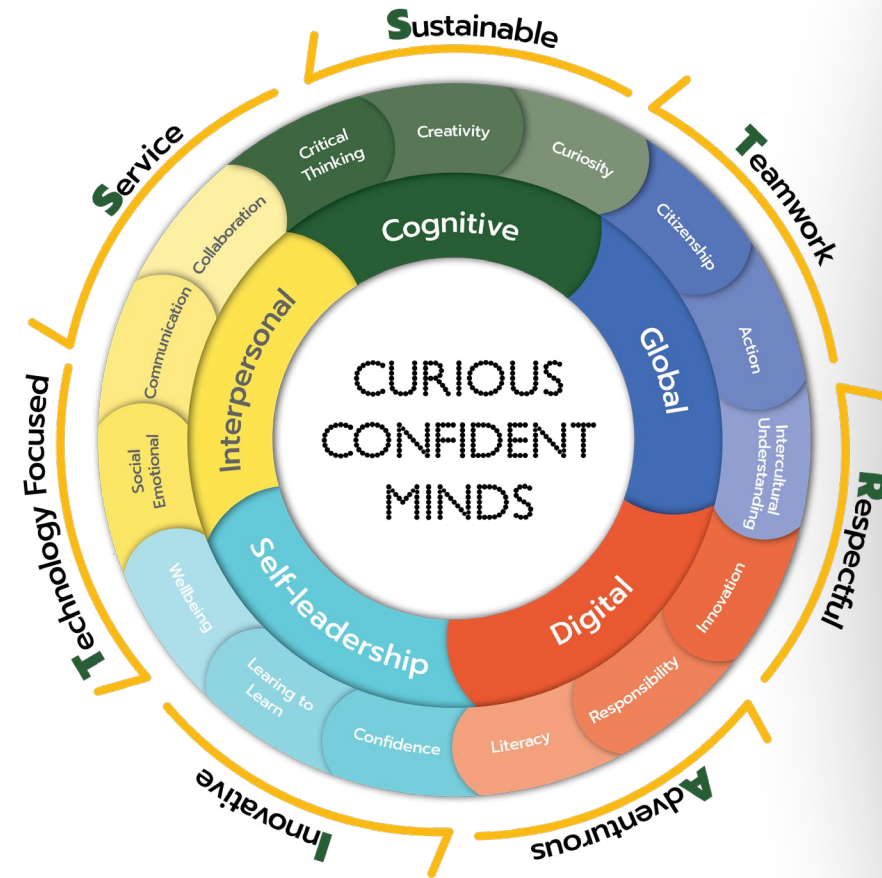

WHAT DEFINES a Straits Learner?

At Straits International Rawang, the Straits Learner Profile serves as the cornerstone of our educational philosophy.

Learning at Straits International is a transformative journey – exciting, challenging, and brimming with possibilities. We believe learning extends beyond passive reception of information; it's a dynamic process of co-creation, discovery, and collective growth. Joining our school immerses you in a vibrant community where learners and their learning are paramount. We prioritise the continuous development of essential life skills, empowering students to confidently pursue their chosen paths.

Shaped by our community and driven by purpose, our learner attributes guide our teaching, learning, and growth. These vital life skills are seamlessly integrated into every facet of the school day, equipping students with the resilience and adaptability to navigate a rapidly evolving world with confidence.

From leadership and creativity to sustainability and respect, these essential life skills empower learners to grow with curiosity and confidence, preparing them for every opportunity and 'good struggle' ahead.

DISCOVER your own path

Future Pathways

The world awaits, and with Future Pathways™, students are equipped with the tools to choose pathways that will enrich and reward them for life.

Here we bring together industry experts, universities and companies from around the world, giving students unique insight - not just about further education options but also about how the world of work is changing.

How is my child supported?

Our dedicated team works closely with each student to guide them on the pathway that suits them best. This personalised support begins in the primary years and continues throughout Secondary School.

Here's an outline of the support throughout our Secondary School:

Year 7 & 8: Helping students understand their skills and personalities.

Year 9: Support for subject choices with options fairs, drop-ins from IGCSE students, and an options week.

Year 10: Work experience preparation, including CV writing and contacting employers.

Year 11: Post-IGCSE pathways workshops to explore future opportunities.

EARLY YEARS

Ages 3 to 5

Your child's first school experience is so important—it shapes how they'll approach learning throughout their life. At Straits International School, we aim to spark a natural curiosity in children, inspiring excitement and motivation towards learning both inside and outside the classroom.

Subjects

Physical Development: Promoting fitness, coordination, and teamwork, our activities develop strong motor skills and encourage healthy habits from a young age.

Personal, Social and Emotional Development: We help children build confidence through activities, expressing preferences, and discussing emotions in a supportive environment.

Language: We believe in a world where communication is key. All our Early Years students have weekly lessons in Bahasa Malaysia and Mandarin with specialist teachers.

English: We focus on linking English letters and sounds, exploring texts and poetry, and building writing skills, ensuring they're Primary ready.

Mathematics: We emphasise problem-solving, counting, number use, and early calculations, alongside shapes and measurement.

Understanding the World: Children explore connections between people, History, Geography, and Science, Technology, Engineering, and Mathematics (STEM) as well as becoming digitally literate.

Literacy: We help children develop strong English reading and writing skills so by the end of their time in Early Years they're confident and ready for the next stage.

Arts and Design: Creativity shines through music, dance, drama, and a variety of materials.

Our learning approach helps build your child's confidence, life skills and prepares them for a lifetime of success – inside and outside the classroom.

Your child will progress through two key stages: Key Stage 1 (Years 1-2) and Key Stage 2 (Years 3-6). Our specialist teachers are dedicated to nurturing your child unique potential. Embracing our LearningFirst™ approach, we're here to guide your child in becoming a passionate, lifelong learner, who is ready to explore, challenge, and discover.

Subjects

English: We foster a love for reading and writing, building literacy, and confidence through phonics and interactive storytelling.

Mathematics: We place emphasis on problem-solving and reasoning skills through engaging Math activities, to make learning clear and enjoyable.

Science: The curriculum promotes curiosity, encouraging children to think like young scientists through hands-on experiments.

Computing: Students develop coding, digital literacy, and problem-solving skills using Byte-Ed and VEX Robotics, preparing them for their digital future through interactive and engaging projects.

Music: Students explore Music through instrument lessons, singing, and performances, fostering creativity and teamwork, with professional lessons offered as extracurriculars.

PSHE: Personal, Social & Health Education help us manage emotions, build relationships, and learn about mental health, wellbeing, and community roles.

Physical Education: Physical Education classes promote fitness, teamwork, and coordination through sports and activities, encouraging a healthy lifestyle.

Languages: Students take twice weekly Mandarin lessons, fostering cultural awareness and communication skills.

Art: Students are encouraged to express creativity and develop artistic skills through various media, including drawing, painting, sculpture, and digital design.

IT: Students learn coding, digital literacy, internet safety, and use modern software, enhancing problem-solving and critical-thinking skills to prepare for their digital futures.

Drama: Students develop creativity, confidence, and teamwork through acting and role-play, while exploring diverse cultures and perspectives.

INTERNATIONAL SECONDARY

Ages 11 to 16

Our International Secondary Curriculum is based on the English National Curriculum, with increased focus on core skills such as reasoning, analysis, research and leadership.

This stage is crucial as students begin to grow into responsible young adults. We encourage them to be resilient, ambitious, and to take ownership of their decisions, helping them build a strong foundation for their future.

Year 7-9 (Key Stage 3)

During these years students study the following:

- English
- Humanities
- History
- Enterprise
- Geography
- Maths
- Science
- ICT

OPPORTUNITIES

Discover what you love

At Straits International Rawang, we have more than 60 extra-curricular activities across our primary and secondary schools, allowing students to dive into an area of interest or learn a new passion.

Our co-curricular activities (CCA) clubs are taught by our team of specialist teachers and qualified international and external instructors to ensure a safe and enjoyable learning environment.

These activities do more than just fill their schedules; they provide avenues for passion, exploration, and leadership. As students engage, they not only grow in knowledge but also in confidence and responsibility.

SCHOOL LIFE

Putting student safety first

Safeguarding is in everything we do at Straits International School Rawang. All our staff community, ranging from security guards to the Campus Principal play a part in keeping us all safe. Furthermore, our campus has a dedicated Safeguarding team who take responsibility for ensuring that all students are safe when at school. Here are some of the measures we have in place:

- School nurse on site
- All staff and parents wear identification
- Designated student toilets
- Undertaking police checks before recruiting staff
- Ensuring teacher and staff are first aid trained
- Patrolling security guards at entrance and exit points
- CCTV surveillance

Technology

Being digitally literate is a core skill and this is embedded throughout our curriculum. Along with specialist devices for Computer Science, Science, and Music, students are also provided with winbooks to assist their learning in a safe manner.

Keeping our students safe online

All our devices are protected by Smoothwall, which helps protect children's devices at school by providing advanced web filtering and monitoring tools. It ensures that students can safely access educational content while blocking harmful or inappropriate websites. Smoothwall's technology works in real-time, detecting and preventing online threats such as cyberbullying, explicit content, or malware. Additionally, it allows school administrators to set custom

filters tailored to age-appropriate content, ensuring a secure digital environment for learning. With Smoothwall, we can create a safer online experience for our students while maintaining educational access.

Lunchtime

Students are able to choose their own meal in our canteen or parents can order in advance. We have a cashless system so students can pay using their Vircle Cards, which can be topped up easily by parents.

Uniform

We want our community to look smart and have pride in their appearance. Our uniforms are different in primary and secondary and on PE days students wear their PE kits.

School timings

The different stages our of school have slightly different school day timings. After the school day is finished, all students can stay on for extracurricular clubs until 4:00pm.

- Early Years students can be dropped off from 7:00am and the day ends at 2:10pm
- Primary School start at 7:45am and ends at 2:30pm
- Secondary School starts at 7:45 and ends at 3:15pm.

Parents' Association

Parental involvement is key to a successful school environment, and we strongly believe that when parents and the school work hand in hand, it facilitates a strong learning community that impacts and encourages students to be their best. Our Straits Parents' Society is a thriving organisation and helps the school with events, welcome meetings for parents and cultural celebrations.

Pastoral care

At our school, we place great importance on pastoral care, ensuring every child feels supported and cared for. Kindness and compassion are central to our values, and each student has a dedicated adult—whether it's a key worker, teacher, or form tutor—overseeing their well-being. Our school counsellor is always available, and to help new students settle in, we assign them a buddy. This ensures that everyone feels welcome and quickly adjusts to their new school environment.

Supporting non-English speakers

Our students come to us from many different backgrounds, with many different language needs. The Learning Centre (TLC) is our own dedicated learning support hub on campus. We provide English as an Additional Language (EAL) classes to support all non-native English speakers. Our specialist teachers will work on a customised plan for each student who requires support. Talk to us to find out how we can support your child.

READY TO BEGIN your journey with us?

Submit application

Applications are accepted throughout the year, depending on space. Our admissions team will assist you with the application and any necessary paperwork for employers or visa applications.

Application review

Once your application is reviewed, we'll reach out with the next steps which may include an assessment and/or interview depending on the supporting documents included in your application and your current age.

Offer

There are three possible outcomes of the assessment. The first is Successful and you will be issued an offer letter. The second is Not Ready Yet which means further discussion is needed about a start date and the third is a Conditional offer which may set out specific goals to be agreed by parents and the school before your child starts.

Secure your place

To accept the offer, you will need to provide any outstanding documents and pay the registration fee and deposit to secure your child's place and enrol. We will then help with MOE approval and any student or guardian visas.

Get ready to start

Time to stride into the school year! We will make sure you and your family feel welcomed and supported from enrolment to graduation. Welcome to the Straits family!
